Merchant Services

Taking money, made easier and **less expensive.**

ENERGY

| H2O SOLUTIONS

| MERCHANT SERVICES

| ULTRAFast BROADBAND

Nobody uses cash these days, well very few anyway, which is why it's so important to have a reliable merchant service that doesn't cost an absolute fortune.

Our experience in the merchant services sector means that we're perfectly placed to find businesses the best possible deals, meaning that costs are reduced and profits are maximised.

IN ADDITION TO SOURCING THE BEST DEALS, SMARTA PRIDE THEMSELVES IN:

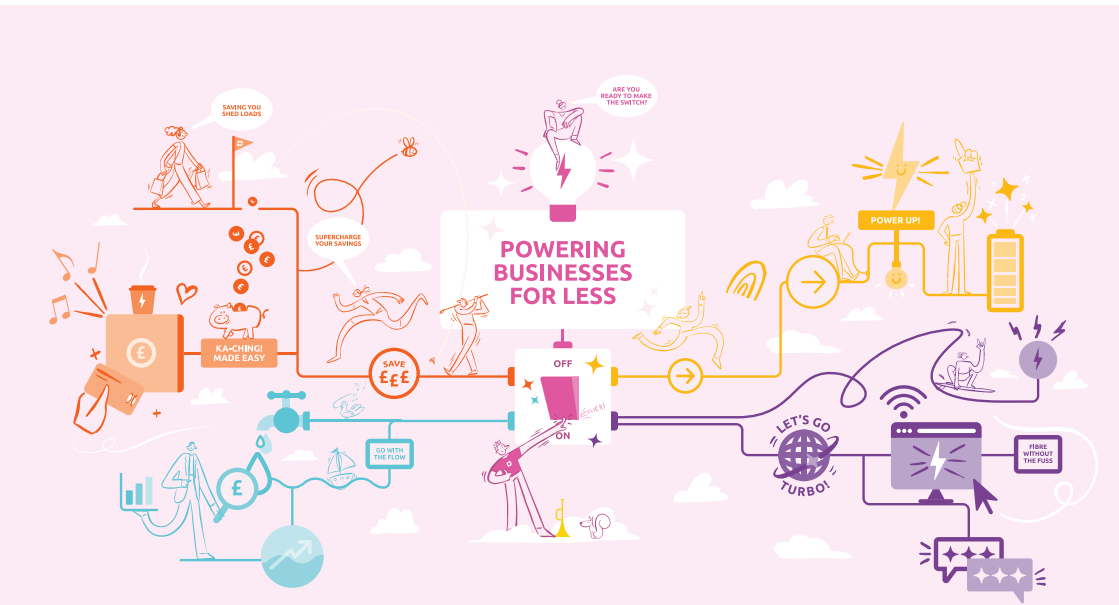

- 1

Excellent professional customer service with that added personal touch.
- 2

Rewarding loyalty for the purchase of services and contract renewals.
- 3

Access to a straight talking team who are open and honest.
- 4

Building a community. We like people and add value by connecting you to our Smarta community.

HOW DOES IT WORK?

DEVON VALE

"When faced with a factory move and no previous knowledge of setting up a new gas and electricity supply, Smarta didn't bamboozle me."

They explained what I needed to know and helped the process go as smoothly as possible – with very competitive renewable energy supply contracts!"

A thought from
Joedy Lawrence,
Managing Director,
Smarta Switch

"We are on a mission to provide entrepreneurs access to the most competitive deals in the marketplace for their **energy, H2O solutions, merchant services and ultrafast broadband.** We will not stop until we have achieved a cost saving of **at least £1k for each and every business owner.**"
