DON'T JUST TAKE OUR WORD FOR IT

THE HUTONG BAGEL CO.

"Joedy and the Smarta team have been getting us the best energy deal since we opened in 2017. Their knowledge of the energy industry was particularly reassuring during the recent crisis, as we knew exactly where we stood with our bills, and felt relieved to know we were getting the best deal possible."

EMMA HARMAN
DIRECTOR

PLYMOUTH ALBION

"Smarta's approach to energy saving made our life very easy and was spot on. A few of my colleagues found having Smarta taking the lead helped ease their mind when looking for a new energy provider. I would highly recommend any company looking to reduce their energy consumption to contact Joedy and the Smarta team. They saved us a lot of money."
